CADDIES

Caddies are not allowed in the Championship, except in the case of physical disability, and agreement must be sought from the Championship Chairman prior to the commencement of the Championship.

Fore caddies are not permitted.

All competitors are reminded that neither the SWBGA nor the host club can be held responsible for any personal property. Competitors are advised to arrange their own insurance to include public liability.

DMD's

In all SWBGA competitions a player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g. gradient, wind speed, temperature, etc.), the player is in breach of Rule 4-3a, for which the penalty for the first breach is General Penalty, for second breach it is disqualification, regardless of whether any such additional function is actually used.

NOTE

The SWBGA request that Parents, Relatives, and Spectators keep an appropriate distance behind the players at all times and must not communicate with a player.
